The limit of electric consumption during the non-monsoon months fixed for the office of the Project Executive Officer is Rs. 15/- per month and that during the monsoon months the limit fixed is Rs. 30/- per month. This limit has been exceeded in the following months as shown below:

August 1955:	Rs. 41- 4-0
September 1955:	Rs. 34- 4-0
October 1955:	Rs. 29-15-3
November 1955:	Rs. 23-11-3.

The use of electric lights in office even during day time is necessitated owing to the darkness prevailing in some of the rooms. Some of the lights had to be kept burning till late in the night to enable the staff to do their work. The limit of electric consumption had to be exceeded in the circumstances stated above. I, therefore, request that the excess consumption of electrical energy for the months noted above may kindly be ratified.

Yours faithfully,
H Narasimha
Project Executive Officer. 29/12
